

Cancellation & Refund Policy

Here at CircusMASH we love giving people their weekly dose of circus, and as you know classes are so popular that there are not enough spaces every week for every person. Please know that to cancel a class we require 24 hours notice, without this notice unfortunately we are unable to refund your class. We have this policy in place so we have enough warning to fill your spot and of course keep pricing low. Please understand our cancellation policy and remember to cancel your class online if you are not planning on attending.

If you cancel with over 24 hours notice your class will be fully refunded.

Thank you for understanding our policy.
